

ELIGIBILITY

Faculties from various Engineering Colleges, Arts and Science Colleges and Polytechnic Colleges.

REGISTRATION

All participants have to pay Rs. 300 as registration fee by Demand Draft in favour of “Dr.N.G.P. Institute of Technology-CSP” payable at Coimbatore.

HOW TO APPLY

The Scanned copy of Registration form and declaration form should be sent via email for registration along with the Demand Draft.

Email-id: drngpit.pspp@gmail.com

ABOUT THE COLLEGE

Dr. Nalla. G. Palaniswami initiated the establishment of Dr. N.G.P. Institute of Technology in 2007. The college is ISO 9001:2008 certified, NAAC accredited and is approved by AICTE, New Delhi and affiliated to Anna University, Chennai-600025. The institution has completed 10 years of dedicated and excellent service in the field of technical education. The college offers 7 UG programmes and 6 PG programmes and is one among the best self-financing Engineering colleges imparting high quality technical education in India. Dr.N.G.P. Institute of Technology strives to be place of excellence offering good infrastructure, an innovative and research oriented teaching community and a serene atmosphere for learning. The Institution has an active Industry Institute Partnership Cell (IIPC) to interact with industries.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was started in the year 2007 with B.E. Programme. With the increasing demand in Computer Science and Engineering, M.E programme was started in the year 2012. The Department of Computer Science and Engineering provides the students a sound foundation of theory, concepts, in-depth working knowledge in technology and hands on experience in computer software. The department has excellent infrastructure facilities. The main aim of the department is to shape up the minds of the budding professionals in IT era. The target is being achieved with our highly qualified potential faculty members committed towards education and research. The department also focuses on building up the needed infrastructure to cater to the needs of IT Industry requirement through various Academic Alliance Programme and Professional Bodies.

IMPORTANT DATES:

Submission of application: 07.09.2017

Intimation of selection: 07.09.2017

Confirmation by Participants: 08.09.2017

INTRODUCTION

For the past five years, Python has held the number one position as the “most popular coding language”. Several IT giants, as well as the IT infrastructure of major organizations, rely heavily on Python. These groups include NASA, JP Morgan, Google, Yahoo!, Disney, Nokia, and Mozilla among many others and as long as these companies and organizations exist, there will always be a demand for Python. So learning of this language improves an employability potential of student community.

OBJECTIVE

The faculty orientation workshop is intended to provide opportunity for faculty members to upgrade the knowledge in the area of Python Programming. To provide an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems using Python Programming.

TOPICS TO BE COVERED

- Introduction to Problem Solving techniques
- Introduction to Python Programming
- Data types, Expression & Statements
- Control Flow Statements
- Function concepts
- List
- Tuples
- Dictionaries
- Files
- Modules
- Packages
- All the lap programs included in the Anna University syllabus
