

## ABOUT THE DEPARTMENT

The Department of Civil Engineering has been in existence since 2011. The department has grown into the state of art with well-equipped lab facilities and infrastructure. The Department has well experienced Faculty members of various specializations. The activities in the Department are carried out to consort the global innovations, inventions, alternate resource development upgraded in the civil world for the human mankind journey. The students are trained to upgrade themselves and the Department is striving to mould them in to a better engineer in this society.

## VALUE ADDED COURSES OFFERED

Name of the Course	Knowledge Partner	Year
AutoCAD	CADD Centre	II
Revit Architecture	CADD Technologies School of Design Private Limited	II
Soft skills Development	Hope Factory	II
Building Information Modelling	CADD Technologies School of Design Private Limited	III
STAAD Pro	CADD Technologies School of Design Private Limited	III

## TESTIMONIALS

Dr. N.G.P. IT has always excelled in producing quality engineers with outstanding results. The infrastructure is great and provides an excellent atmosphere along with modern facilities which promote great learning environment and flexible schedules that suit to meet the needs of all students -**Mr. K. Sakthivel JE-CPWD Batch: 2011-2015**

Dr. N.G.P. IT given me many precious moments to be treasured in my life. My journey in this college wouldn't be possible without the support and encouragement of my teachers. Apart from academics, my department always takes an extra effort by providing us opportunities like software training, Industrial visits, In-plant training, mini projects, internships, etc. to develop our skills required to match the needs of industry. -**Mr. C. Vijayakumar JE-MES Batch: 2011-2015**

Thanks for giving me the opportunity to share about my experience with our institution during my college days. It was the place where I developed personally and professionally. It had given a great start to career. -**Mr. M. Rajendra Prasad M.S ( U.K) Teeside University Batch: 2012-16**

## CAREER OPPORTUNITIES

A civil engineer can choose from a multitude of career options like designing, supervision and construction activities of public works like roads, bridges, tunnels, buildings, airports, dams, water works, sewage systems, ports etc. The career prospects in this field are enormous owing to the rapid growth of infrastructure facilities in the country. Career Guidance Programs like GATE, TOEFL Awareness, Job opportunities in Civil Engineering and Higher Studies opportunities are conducted for the benefit of Civil Engineering Students.

## OPPORTUNITIES FOR CIVIL ENGINEERS

### As an Entrepreneur

- Building Surveyor
- Business Consultant
- Building Valuer
- Software Expert
- Intellectual Property Management
- Building Contractor

### In Govt. Sectors

- Indian Engineering Services (IES)
- Public Work Department (PWD)
- Indian Air forces
- Indian Military Services
- Indian Railways (AE,JE)
- Civil Services

### In MNC's

- Structural Engineer
- Site Engineer
- Environmental Engineer
- Transportation Engineer
- Irrigation Engineer
- Quality Surveyor
- Planning Engineer
- Project Manager
- Pipeline Engineer
- Geotechnical Engineer
- Wastewater Engineer
- Interior Designer

## IN RESEARCH ORGANISATION

- Policy-Making or Research Fellow positions at public sector organizations like CSIR, SERC, CECRI, ISRO, etc.,
- Private Sector Research and Urban Development projects
- Academic positions at universities

## HIGHER EDUCATION OPPORTUNITIES

- In India, M.E. / M. Tech Programmes offered in all IITs, NITs and other major universities
- In abroad, M.S programs are offered by many prestigious institutions/ universities in all specializations of Civil Engineering

## Industrial MOUs
